

Robust, comprehensive features for departmental demands

Now you can look forward to entry-level, high-volume and wide-format (A3) black & white printing. The new HP LaserJet 9040 printer series delivers the perfect blend of high performance and cost-effectiveness with a host of productivity features, versatile paper handling options and advanced networking capability.

Versatile paper handling solution

The HP LaserJet 9040 printer series offers maximum flexibility with:

- Optional 2,000-sheet high-volume input tray (total input capacity of 3,100 sheets).
- Automatic double-sided printing module¹ that doubles input capacity.

Flexible advanced finishing options

- **8-bin mailbox** allows individuals, workgroups or departments to be assigned to each bin, easing job retrieval. A sorter/collator, stacker and job separator come standard with the mailbox bin for fast, simple document customisations.
- **Multifunction finisher** provides 1,000-sheet stacking capacity, 50-sheet stapling per job and folding and saddle stitching for 10-sheet booklets.
- **3,000-sheet stacker/stapler** provides 3,000-sheet stacking capability along with multi-position stapling for up to 50 sheets per job.
- **3,000-sheet stacker** has capacity for 3,000 sheets of paper, with job offset.

Handles a wide variety of media sizes and types

The HP LaserJet 9040 printer series supports a refreshingly broad spectrum of media, from JIS B5, to Letter and A4, to Tabloid and A3 sizes.

Increase efficiency with reliable sharing

In addition to the standard IEEE 1284-B parallel port and the HP Jetdirect Fast Ethernet embedded print server², the HP LaserJet 9040 printer series capabilities can also be expanded via 2 EIO slots that support:

- Optional HP Jetdirect wireless print server
- 20 GB HP high-performance EIO hard disk
- HP and 3rd party software for form, check and barcode printing

¹ Standard on HP LaserJet 9040dn Printer.
² Standard on HP LaserJet 9040n and 9040dn printers.

HP LaserJet 9040 printer series

Experience reliable, high-volume printing at an entry level price

Fast, high-volume printing performance

Spend less time waiting and increase productivity

The HP LaserJet 9040 printer series prints up to 40 pages per minute (ppm) and the first page in under 8 seconds with Instant-on Technology¹.

Makes complex print jobs a breeze

The HP LaserJet 9040 printer series speeds through highly complex documents with:

- Advanced 533 MHz processor
- Up to 128 MB DDR SDRAM² (upgradeable to 512 MB)
- RIP-once technology

Professional print quality

Print crisp, high-quality black-and-white documents with HP FastRes 1200 and HP Resolution Enhancement technology (REI).

Worry-free printing

- Robust 300,000 pages per month duty cycle
- 30,000-standard page HP LaserJet print cartridge yield³

Easy to use and manage

- The intuitive 10-key LCD control panel provides easy user interaction
- Private Job feature on the control panel for confidential document printing
- Proof and Hold feature allows review of one copy before printing a multiple-copy print job

Effortless network management with added security

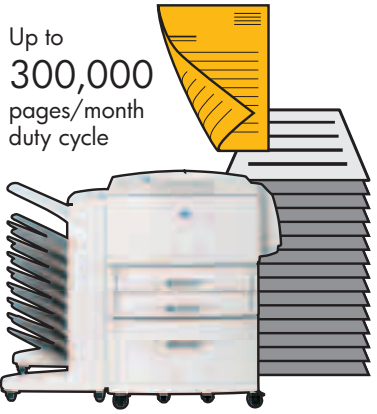

- HP Web Jetadmin remotely installs, configures and proactively manages your network peripherals. It also supports Secure Sockets Layer (SSL) and Simple Network Management Protocol (SNMP) for greater network security.
- HP Embedded Web Server performs remote diagnostics, sends email alerts and provides job tracking and accounting information.

Renowned HP LaserJet quality and reliability

- HP is the undisputed leader in providing reliable printing solutions for over 20 years
- HP is the No. 1 monochrome laser printer⁴
- Awarded by PC Magazine’s Service and Reliability Survey
 - An “A” rating for 12 years running⁵
 - An “A+” rating for 2 years running⁵
 - Clinched the top spot for 13 consecutive years⁶

¹ Exact speed depends on system configuration, software programs and document complexity.
² 128 MB DDR SDRAM standard on HP LaserJet 9040n and 9040dn printers only.
³ Average cartridge yield. Declared yield value in accordance with ISO/IEC 19752.
⁴ In Asia Pacific (excluding Japan). Source: IDC Asia/Pacific Quarterly Printer Tracker 3Q 2004.
⁵ August 2003 PC Magazine Reader’s Choice Award.
⁶ November 2004 PC Magazine Annual Reader Satisfaction Survey.

HP LaserJet 9040 printer series

Up to 300,000 pages/month duty cycle

Large volume printing

Full function control panel for walk-up usability

OVERALL PRINTERS
Hewlett-Packard Company

Clinched the top spot for 13 consecutive years⁶

1. Automatic two-sided printing unit offers fast, efficient duplexing¹
2. Control panel with 10-key number pad simultaneously displays up to four lines of text and animated graphics
3. 100-sheet multipurpose tray handles heavy custom media up to 58 lb or 216 g/m²
4. Adjustable 500-sheet input trays 2 and 3
5. Optional 2,000-sheet input tray 4 delivers high-volume printing
6. Optional 8-bin mailbox enables automatic document sorting for individuals and departments
7. HP Jetdirect Fast Ethernet embedded print server enables networking
8. 128 MB total memory and a powerful 533 MHz processor perform complex tasks quickly
9. Bidirectional IEEE-1284-B compliant parallel port

HP LaserJet 9040dn shown with optional 2,000-sheet input tray and optional 8-bin mailbox

Versatile design

- Add the following optional components to your HP LaserJet 9040 printer series to meet the needs of your business:
- 2,000-sheet input tray for up to 3,100-sheet capacity
 - 8-bin mailbox, stacker, stapler/stacker, or multifunction finisher
 - Add memory up to 512 MB
 - Use the two available EIO slots for an optional HP Jetdirect wireless print server, 20 GB HP high-performance EIO hard disk or HP and third party software solutions for business functions including form, check and barcode printing

Series at a glance

- HP LaserJet 9040 Printer**
- Two 500-sheet input trays for 1,000-sheet capacity
 - 64 MB memory
 - Two empty EIO slots

- HP LaserJet 9040n Printer**
- Base model plus:
- 100-sheet multipurpose tray for 1,100-sheet capacity
 - HP Jetdirect Fast Ethernet embedded print server

- HP LaserJet 9040dn Printer**
- Base model plus:
- Automatic two-sided printing unit
 - 100-sheet multipurpose tray for 1,100-sheet capacity
 - HP Jetdirect Fast Ethernet embedded print server
 - 128 MB total memory

Original HP LaserJet print cartridges. The science behind brilliant printing.

High tech, high performance
70% of HP LaserJet printing technology is in the cartridge. Smaller, more uniformly shaped HP toner particles deliver richer, sharper blacks and more even tones, so your documents always look their best.

Unmatched reliability
Painstakingly engineered and tested to work perfectly with HP LaserJet printers, you get reliable, consistent print results and peace of mind with HP original LaserJet print cartridges.

Smart management
Access real-time toner usage data stored in the cartridge with HP Smart Printing Technology and make better purchase decisions.
